

23,5cm

A technical drawing of a rectangular prism. The height is indicated by a vertical dimension line on the left, labeled '23,5cm'. The width is indicated by a horizontal dimension line at the bottom, divided into two segments: '7,5cm' on the left and '11,5cm' on the right. The drawing shows the front and side faces of the prism, with a small detail of a base or bottom edge visible at the bottom.
